**Undergraduate Programs**

*As a member of the Association of American Universities*® *(AAU)*, the University of Arizona is one of 62 leading public and private research universities in the United States and Canada. The UA’s excellence in academic research, scholarship, and educational programming provides students with the opportunity to engage with and learn from and alongside current and future leaders in their fields.*

*The UA offers Bachelor’s degree programs, undergraduate certificates, and a variety of undergraduate minors. The University has a number of Accelerated Masters Programs (AMP) that permit students to earn both a bachelor’s degree and a master’s degree in 5 years and a number of dual graduate degrees that help to reduce time to degree completion.*

*We also offer a small, but growing number of dual enrollment programs with Arizona high schools and summer course offering for high school students.*
